

The Healing Place of Huntington

Dear Friend,

The Healing Place of Huntington will provide a long-term residential program of recovery from alcohol and drug addiction. Our new substance abuse recovery center for men will offer 26 beds when it opens soon and plans to increase capacity to 100. We also plan to open a facility for women in the future.

We have received seed money and grants from the State of West Virginia and various local sources to purchase the building at 2425 9th Avenue and to begin construction and renovation. However, we now desperately need private funding to complete renovations, furnish and equip the facility, and provide essential services for the residents.

The Healing Place of Huntington is a private non-profit organization and you can help us by providing support for our project in the form of a tax-deductible contribution, a charitable donation of goods and services, a specific tax-exempt bequest, or other forms of estate giving.

If you would like to make a donation using a credit card, please visit our website at <http://www.thehealingplaceofhuntington.org>. Or complete the Donation Form on the reverse of this letter and return it with your check or money order made payable to:

Thank you in advance for your generous contribution and support.

Yours sincerely,
Friends of the Healing Place
